<i>Content standards / Curriculum objectives</i>	<ul style="list-style-type: none">• <i>Subjects included:</i> History, Civics• <i>Objectives:</i><ul style="list-style-type: none">- to learn about inventions of 19th and the beginning of 20th centuries- to learn about life possibilities and progress at the beginning of 20th century- to learn how to find the information on the Internet- to know some life stories of real people who sailed on the Titanic
<i>Brief description</i>	<ul style="list-style-type: none">• Students visited world’s famous Exhibition of Titanic in Prague. They were prepared from school lessons and they also surfed the Net and looked up a lot of information on the Titanic and it’s cruise. While watching the exhibition, they followed the instructions in guide headphones and tried to complete the tasks in worksheets.• The answers for the questions were checked by both, the teacher and the students, after the exhibition.
<i>Tools or materials needed for activity</i>	PC, the Internet, worksheets.
<i>Activity procedures</i>	See point 5
<i>Students outcome</i>	See points 9 and 10
<i>Supplements</i>	The worksheet
<i>Feedback</i>	<ul style="list-style-type: none">• Students enjoyed to getting know how luxurious ship the Titanic was.• Students got familiar with inventions of 19th century and the details about the Titanic.• Students enjoyed getting boarding pass with the name of a real passenger and finding out if they survived or not.• They succeeded in filling their worksheets.• Iceberg was the most amazing thing of the exhibition for our students. They definitely will rember the reason of Titanic’s shipwreck.

WORKSHEET
